

Dear Andrew School families,

Given the current situation regarding COVID-19 and out of an abundance of caution, all field trips and in-person parent-teacher-student interviews scheduled for the next two weeks are cancelled.

While we understand this decision is disappointing to many, particularly those who were looking forward to field trips, the safety and well-being of our staff and students is paramount. We're not prepared to undertake activities that may increase the chance of virus transmission.

In terms of parent-teacher-student interviews, we will be in touch with details about setting up times to discuss your child's report card and academic progress by phone. While we regret we won't be able to meet with families in person to have these conversations, we believe this is the best approach in these circumstances.

Thank you for your understanding and patience as we continue to deal with the challenges associated with the COVID-19 pandemic.

Sincerely,

Greg Cruickshank, M.Ed.
Principal
Andrew School
